Re: Final Report under Section 8.62

This report is submitted pursuant to Section 8.62 of the Iowa Code, which requires the Office of the State Public Defender to report to the Justice Systems Appropriation Subcommittee, the Legislative Services Agency, the Legislative Fiscal Committee of the Legislative Council, and the Department of Management, detailing how funds carried forward under section 8.62 were expended.

The Office of the State Public Defender carried forward \$58,670 from Fiscal Year 2012 to Fiscal Year 2013, for the purpose of internet-based employee training, technology enhancement, and the purchases of goods and services from Iowa Prison Industries. Of this sum, approximately \$58,060 was expended for technology enhancement, including continued upgrades to our internal case management software system and claims review software system. The remaining sum was spent on goods from Iowa Prison Industries.

Do not hesitate to contact me if I can provide any additional information.

Sincere regards,

Samuel P. Langholz
State Public Defender
